SEARCH TIPS

UST – Underground Storage Tanks

Registration Number. This is the 9-digit number assigned to each site by DNR. Entering the number will display that specific site.

Site Name. This is the name of the site or facility used by DNR. Enter part or all of a site name. For example, CAS brings up Case, Casey's, etc. **NOTE: Using an apostrophe will cause an error in the program and return a "No records found" message.**
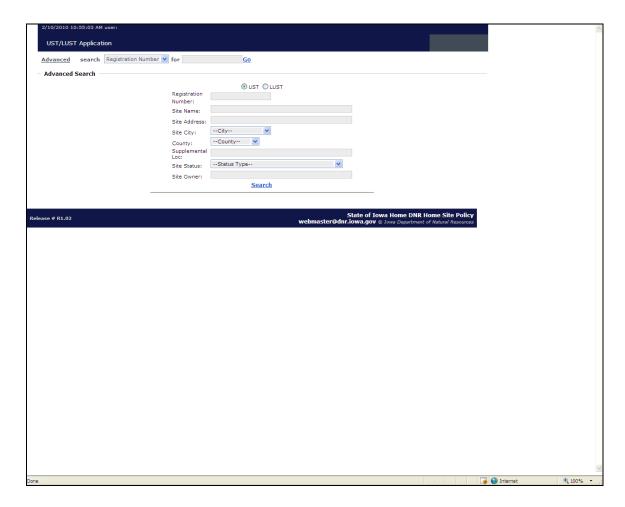

Site Address. This is the address of the site. Selecting a street in conjunction with City will return entries on that street in that city.

Site City.   Choose a city from the drop-down menu.

County. Choose a county from the drop-down menu.

Site Status. Choose a site status from the drop-down menu.
